Build Your Perfect Party Package & Schedule Your Party

Step 1: Choose the Number of Children

- ~ The number of children for your package includes the birthday child plus a specific number of guests. (Example: A party for 10 or fewer children includes the birthday child and up to 9 guests.)
- ~ This allows us to keep a specific coach to child ratio for the safety of the children.
- ~ You should build your party package based on the total number of children you plan on inviting plus the birthday child. Remember, if you have more children than you booked for, extra children will not be allowed in the gym.

Step 2: Choose the Length of Your Party

We'll be happy to help if you'd like us to make a recommendation.

Step 3: Add the Extras (balloon/party themed table cover, plates, utensils, napkins, cups & happy birthday banner; and at your request personalized invitations)

Optional

Step 4: Figure the Total Cost of Your Party

Add the amounts for each of your choices to determine the total cost for your party.

Step 5: Choose the Payment Option that Best Fits Your Budget

- ~ Pay a non-refundable deposit when you book your party, then pay the balance on or before the Wednesday before your party date.
- ~ Pay in full when you book your party and receive \$10 off the total cost of your party.

Step 6: Call to Confirm the Availability of Your Preferred Party Date and Time.

Step 7: Then Complete and Sign the Party Contract and Return It with Payment to the Gym
